No entry shall be made and no entry shall be accepted which specifies any conditions as to its acceptance. Illegible entries will not be processed and will be returned to the exhibitor. Returned checks do not constitute a valid entry and the Trial Secretary will add a \$25.00 collection fee to the amount of each returned check.

### WAIT LIST INFORMATION

Topeka Kennel Club is offering a wait list to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of 20 entries per day will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to Wednesday, August 7, 2019 at 7:00 pm CST. No entries may be withdrawn with a refund after closing on Wednesday, August 7, 2019 at 7:00 pm CST. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial will receive a full refund.

### STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP AREA

**Staging Area** will be out of view of search area(s) and will include crating, warm-up, and waiting areas, as well as the secretary table for check-ins and posting of running order and results.

**The Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the demo dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

**A warm-up area** will be available consisting of ONE marked container of each odor being tested at the trial and may also consist of blank containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior to their run, or for recovery after the run. The warm-up area is not for training or relieving of the dog.

### SEARCH AREA AND RING CONDITIONS

Search areas will be within the size specified in the regulations for each class and may be of any shape.

**Search Area Conditions.** Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

**Search Area Sizes:** Container Novice - 250-400 sq. ft., Advanced - 400-600 sq. ft.;

Interior Novice - 100-200 sq. ft., Advanced - 200-400 sq. ft.; Exterior Novice - 200-400 sq. ft., Advanced - 400-800 sq. ft.; Buried Novice - 150-200 sq. ft., Advanced - 150-200 sq. ft.

### ADDITIONAL SITE INFORMATION

**Trial Site.** It is not appropriate to visit the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

**Possession of Odors and Training.** Chapter 5. Section 26 of the Scent Work Regulations states: "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area."

**Spectator Area.** Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search until the completion of the class.

**Crating space** will be available on a limited basis. Crates may be left overnight; however, the Topeka Kennel Club and the Kansas Expocentre will not be responsible for any lost or damaged items left at the show site.

**Note:** Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

### RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

First Place ..... Blue  
Second Place ..... Red  
Third Place ..... Yellow  
Fourth Place ..... White  
Qualifying Score ..... Dark Green

A New Title rosette will be awarded to all dog and handler teams finishing a title.

#### High in Trial

Only teams who participate in all elements offered (Container, Interior, Exterior, and Buried), and qualify in each are eligible to win High in Trial. One High In Trial winner is chosen per division. There is a separate High in Trial for the Novice A and Novice B sections in addition to the Advanced section at these events. Dogs participating in all elements in a combination of Novice A and Novice B classes will only be considered for Novice B High in Trial.

The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win.

Teams winning High In Trial will earn a rosette and an additional prize. Additional prizes will be the same for each division. A different prize will be given each day. Prizes will be a customized insulated cup, an embroidered tote, and an embroidered throw.

## NOTICE TO EXHIBITORS

### Safety, Behavior, and Liability

The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Topeka Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage, or injury sustained by exhibitors or handlers or to any of their dogs or property and further assumes no responsibility for injury to children. The Topeka Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Topeka Kennel Club or any official thereof.

**Collars, Leashes, and Harnesses.** During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

**All dogs must be on leash at all times**, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

### Refunds

**No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition will be considered for a refund. The final decision will be made by the Committee after review of circumstances and documentation.

**Bitches in season** will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one-half hour prior to the start of the first class of the day of the trial.

### Ringside

**Judges are not required to wait for dogs.** The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. While the Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required, the club will make every effort to be sure participants are kept informed of run order and progress.

### Exhibitor Check-In

**Exhibitors must check-in each day they are entered.** At check-in you will receive your number. Check in will be at Heritage Hall on the Kansas Expocentre grounds from 7:30-8:30 am daily.

**Claims will be arbitrated as set forth on the Official AKC Entry Form for this event, which entrants signed during the registration process.**
